

Ka'Eo Kai Resort Updates

A Message from your Board President

Aloha Ka'Eo Kai Owners,

On behalf of your Board of Directors, I wanted to take this opportunity to share some of the efforts underway at the resort. The following pictures featured in this special update represent some of the upgrades, repairs, and projects that have taken place over the past twelve months. I feel certain that you will be as excited as I am to see the progress being made. Your Board of Directors and I look forward to continuing to serve the association and each of its owners.

Mahalo nui loa,

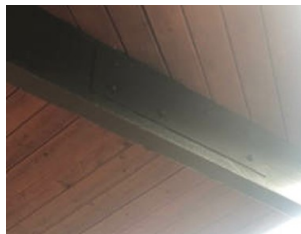

Bill Updegraff

President, Ka'Eo Kai Board of Directors

~Resort Improvements and Upgrades~

Exterior Wood Repairs (Lanai Decks/Beams)

Exterior Lighting

Roof Repairs

During the resort closure, the essential crew did an amazing job with maintaining the resort and completing numerous projects throughout the property including unit vent clean outs, repainting of the KK II ponds, installation of replacement exterior walkway lighting, power washing throughout the property, etc. Many reserve projects were also done such as KK II pool re-plaster, KK III BBQ grill upgrades, roof repairs and the installation of the KK III pool heating equipment.

Unit 21B - After

Building 19 - After

KKII Laundry Closet (VCT Tile Replacement)

KK III Pool Heater Installation

KK III BBQ Grill Upgrades

Power washing & Parking Stall Striping

KK II Pool Re-Plaster

What Do I Need to Know About Getting to Hawai'i?

If you are planning travel to the Hawaiian Islands, it is important that you're aware of new and enhanced State of Hawai'i Safe Travels Hawai'i program entry requirements prior to your departure. The information that follows will assist you in navigating the process efficiently.

Traveling to Kauai (Lihue Airport - LIH)

All travelers arriving on Kaua'i are subject to a 14-day self-quarantine. All travelers must complete the State of Hawai'i Safe Travels digital form and will receive a temperature screening upon arrival. Effective October 15, 2020, travelers from the United States, including other islands in Hawai'i, may receive an exemption to the 14-day quarantine through the State of Hawai'i Safe Travels program. Travelers must complete a COVID-19 test with a Trusted Partner lab approved by the state less than 72 hours before arriving.

For more information and to apply, please visit: <https://hawaicovid19.com/travel/>

IMPORTANT:

- The State of Hawai'i will accept test results ONLY from these Trusted Partners at this time: AFC Urgent Care, Bartell Drugs, Carbon Health, City Health Urgent Care, Color, CVS Health, Discovery Health MD, Kaiser Permanente, Quest Diagnostics, Vault Health and Walgreens (as of 10/13/20). Test results from other labs will NOT be accepted.
- A 14-day mandatory quarantine will be required for all travelers arriving WITHOUT a confirmed negative COVID-19 test approved by the Safe Travels program.
- Travelers will NOT be able to obtain a test and quarantine exemption after they have arrived on Kaua'i.
- At this time, there is no enhanced entry option available for international travel.

All travelers are required to fill out the mandatory Safe Travels digital form. The digital form can be found at <https://travel.hawaii.gov>.
