

The Shearwater Resort Updates

A Message from your Board President

Aloha Shearwater Owners,

On behalf of your Board of Directors, I wanted to take this opportunity to ensure that everyone was aware of some of the efforts that we are undertaking at the resort. The following pictures featured in this special update represent some of the upgrades, repairs, and projects that we have seen over the past twelve months and a preview of the projects that will be undertaken in 2019. I feel certain that you will be as excited as I am to see the progress being made and I look forward to continuing to serve the association.

Mahalo nui loa,

Joe Sparkman

President, Shearwater Board of Directors

Pool Refurbishment

The entire resort pool area has been enhanced with new plastering, painting and lush landscaping. Relaxing by the pool has now become a paradise of its own. Enjoying the ocean views while taking a cool swim has become that much more soothing, relaxing and calming.

Integration of New Landscaping Project

The resort undertook a full enhancement of the landscaping throughout. Walking through the breeze ways will now feel like walking through a botanical garden.

Signage Package

New signage package being installed throughout the site for clearer directions and spruces up the elegance of the resort.

Pool and Spa Re-plastering

Living Room Art Work

Pool Chairs Webbing Replacements

2019 Projects

Soft Goods Refurbishment

PAHIO.com

Wyndham Vacation Ownership has upgraded and updated the new PAHIO.com website. It now includes password protected owner areas with property specific information and easy links that will enable you to submit your email address automatically. This simple email 'opt-in' link will enable owners to receive a myriad of information via email. We encourage you to visit the site and take advantage of this service.
